my way is made easy.*

OUR MISSION STATEMENT

We at Maranatha House take pride in the quality of care given to the residents and are proud of the environment in which they live.

Our purpose is to “provide quality care in a caring environment for the aged and disabled, both now and in the future.”

Our vision is to continue to grow to meet the needs of both current and future residents and the community as a whole and to continue to provide quality care in a caring environment.

ABOUT MARANATHA HOUSE

Maranatha House is a non-for-profit aged care facility, located in the small town of Wellington. Maranatha House offers 80 units in total. East wing consists of 44 units that open onto an extensive garden area and have a combined bed-lounge room area with an ensuite bathroom.

Heights wing consists of 18 units, including 2 spaciouly designed units for couples. These units have a private outdoor area off each room that looks out over our vegetable garden which is proudly maintained by our residents. The other 15 units are located in Allworth wing. Allworth is a secure unit which is designated for Dementia and High Care residents.

Maranatha House offers a vast range of activities and has regular bus trips and outings, entertainers, happy hour, which are all suggested by our residents and organised by our Leisure and Lifestyle Team.

Maranatha House has a Hairdresser who visits twice a week, Hearing Clinic, visiting Doctor, Physiotherapist and referral network to any medical services as required.

Maranatha house is a low-high care facility that offers aging in place. This means that residents are not taken from the environment they are familiar with or away from the people who have cared for them.
